Back to School Night

It was great to see the first through fifth grade parents last night at our Back to School Night! We're looking forward to seeing the sixth through eighth grade parents tonight. The evening will begin at 7pm in the school hall with a brief introduction and Home & School Presentation. Following the meeting, parents will follow their child's/children's roster. This will give parents the opportunity to visit their child's/children's teachers and hear about curriculum and policies.

Student's Yellow Emergency Card & School Forms

If you haven't already done so, please complete and return your child's/children's yellow emergency card and the various forms that you received on the first day of school. Additional copies of these forms are available on our website www.spnschool.org under Admissions in the dropdown "Required Forms". Should you need the yellow emergency card, you'll need to call the school office, 610-828-3082 or email Mrs. Ryan ryand@spnschool.org

Broadcast Communication System Test

We will be testing our broadcast communication system on **Monday, September 24th at 6:30pm** via telephone, emails and text messages to the contact information you have supplied us. If you do not receive this broadcast test, please email Mrs. Beverly Mesunas at communications@spnschool.org

Tag Day

To participate in a Tag Day, students are requested to make a charitable donation of \$1.00. This month's tag donations will be donated to the Archdiocese of Philadelphia Nutritional Development Services.

Morning Car Line Drop-Off

- Morning car drop-off is supervised by faculty members and is conducted with a moving car line entering from Ridge Pike only. Cars enter the Church parking lot, staying to the left of the orange safety cones eventually exiting at Ridge Pike. Once your vehicle enters the student drop-off area, please move as far up to the island as possible.
- In order to keep the car line running smoothly, please have your child/children ready with their belongings to exit your car on the passenger side and we request that you do not get out of your car. Thank You!

Important Message

We have been notified that one of our students had head lice. The very best way to deal with this nuisance is to prevent it. Therefore, please refer to the flyer of information included in this week's School E-News.
