Parent/Teacher Conferences

The Parent/Teacher Conferences are scheduled for Thursday, October 18th for Grades K through 8 and Thursday, October 25th for PreK through 8 with the exception of Kindergarten Room 21. Mrs. Plower and Mrs. Engle will also be available for conferences on October 18th and 25th. PreK and Kindergarten Room 21 will have additional conferences on Tuesday, October 30th.

These conferences are an opportunity for you to meet with your child's/children's homeroom teacher to learn more about how your child/children are doing in school. It also allows you the opportunity to share with the teacher information about your child's/children's personality and needs. Please make every effort to take advantage of these conferences. If you would like to meet with a teacher other than the homeroom teacher, please contact that teacher directly via e-mail, sending a note into school or leave a phone message at the main office.

Parents will schedule conferences online using Sign-Up Genius. An email was sent to you on Thursday, September 27th with further information and a link to sign up. Please be mindful of the time slots chosen as there should be a separate time slot for each of your children. Allow yourself time to travel to the different areas of school if you are scheduling multiple conferences.

Conference time slots are available on the first-come, first-serve basis. The Sign-Up Genius will be available for scheduling until Friday, October 12th at Noon.
