Social Media & Internet Safety Parent Presentation Tonight at 7pm in the School Hall

Please plan to attend this very informative presentation sponsored by our SPN Home & School Association. Mr. Anthony Luker, Education and Outreach Specialist for the Pennsylvania Office of Attorney General will be presenting social media and internet safety information for parents.

Inclement Weather/Emergency Closing: School Closed, Delayed Openings or Early Closings

Please take note that our school emergency closing number is 343 and Colonial School District's number is 305. Should Colonial School District close early, delay school opening or cancel school due to inclement weather, SPN will follow the same procedure. **Notification will be made via our Broadcast System and on our school webpage for school closings, delayed openings and early closings.**

In the event of an early dismissal due to inclement weather or an emergency closing, PM C.A.R.E.S. and after school activities will be cancelled. Students will follow their regular dismissal routine of bus, car or walker line. Please have a pre-arranged plan with your child/children in the event of school closing during school hours.

It is extremely important to keep the school office informed of any changes with telephone numbers, home and email addresses and emergency contact information.

2019-2020 PreK & Kindergarten Registration for Current SPN School Families

Siblings of our current SPN students along with our current PreK class will be given the opportunity to register first for the PreK & Kindergarten 2019-2020 school year. It is important to reserve your child's/children's place in these classes before we have registration for SPN parishioners followed by open enrollment.

Last week, we sent out an email with instructions and SignUp Genius links for you to pre-register your child/children for our 2019-2020 PreK & Kindergarten classes. The SignUp Genius will close this Friday at Noon.
