# St. Philip Neri School Sponsorship Information 2019-2020 School Year

September 2019

Dear Friend of the Community,

**My name is Denise McNichol** and I lead the fundraising initiatives for the SPN Home and School Association. My husband, Kevin, and our three children are members of the parish and we have had the privilege of sending our children to Saint Philip Neri Catholic School.

**Saint Philip Neri School is seeking sponsorships for events associated with 2019-2020 school year.** Sponsorship is needed from businesses large and small to help support the fundraising efforts of the school. This year the mission of SPN is to generate more funds to support technology needs, school assemblies, tuition costs, and more. There are many family-oriented events held at the school along with 3 large scale events where we need your support.

The large events held at SPN this school year include:

- **St. Philip Neri Auction:** November 9, 2019: 6:30pm-11pm
- **Annual Trivia Night:** January 2020 – attended by 400+ members of our community
- **Annual Golf Outing:** May 2020- hitting the links with 100+ golfers with friends of our school and community

**Would your business consider a tax-deductible gift sponsoring these events to support our students?** We would like to gratefully and prominently acknowledge your business in multiple ways depending on your level of contribution. Our school and parish families are eager to patronize the businesses whose generosity make these events possible.

SPN school provides an environment that teaches virtues and the value of becoming an active contributor to charitable organizations throughout the year. Last year, our students raised thousands of dollars to support many worthy causes. Please consider supporting our students with a donation so they can continue to learn to become active members in their community. You may find more information about our events and wonderful school by visiting [www.spnschool.org](http://www.spnschool.org).

**A sponsorship form is attached for your review. Thank you very much for your consideration. Please do not hesitate to email with any questions you may have. We are requesting all Sponsorship donations by October 1, 2019.**

**Please also email us to let us know of your donation.**
